

# Cloud Security and Compliance Assurance

Amazon Web Services, Microsoft Azure and Office 365

## COMPANY

Cloudneeti is a Gartner recognized vendor for cloud security posture management (CSPM) with the most comprehensive security policies coverage and continuous compliance assurance for AWS, Azure and Office365.

## PRODUCT

The Cloudneeti SaaS product provides visibility into security, compliance and risk posture, enforces set standards via remediation guidance and auto-remediation, enables governance of security policies and compliance frameworks via exceptions and private benchmark.

## CUSTOMERS

Enterprises, Independent Software Vendors (ISVs), Managed Service Providers (MSPs), Risk Advisors and Auditors are Cloudneeti customers. Regulated industries (financial services, retail, healthcare, and other) use Cloudneeti to enable continuous compliance for their cloud infrastructure.

Enterprises	MSPs
ISVs	Risk Advisors

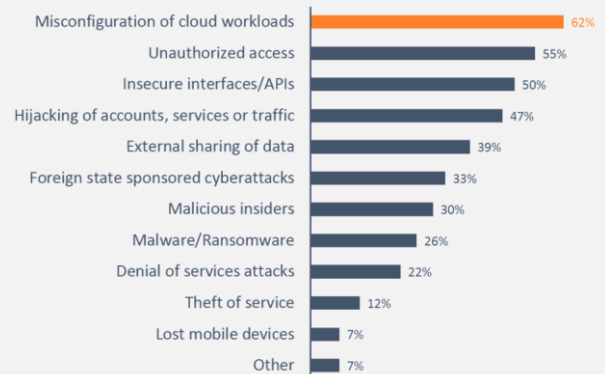

## Companies using public cloud are experiencing security breaches

Organizations using public cloud infrastructure are experiencing data breaches and find it challenging to prove compliance.

“Nearly all successful attacks on cloud services are the result of customer misconfiguration, mismanagement and mistakes.”

- Gartner

## Misconfiguration of cloud workloads is the biggest security threat

Source: [Cloud Security Report, Cybersecurity Insiders, 2018](#)

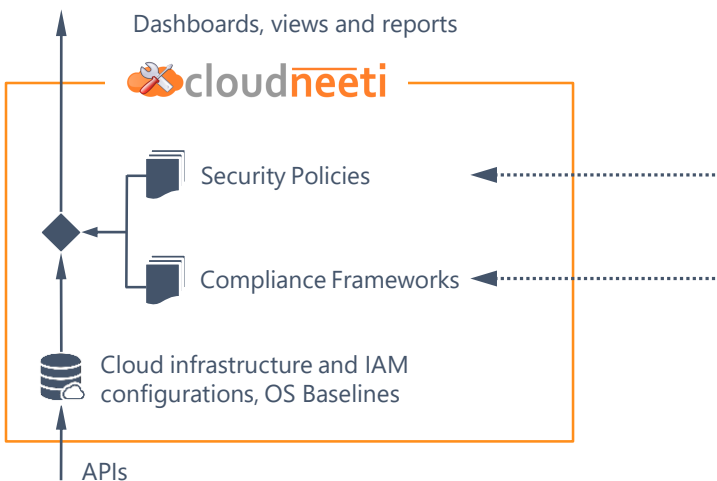

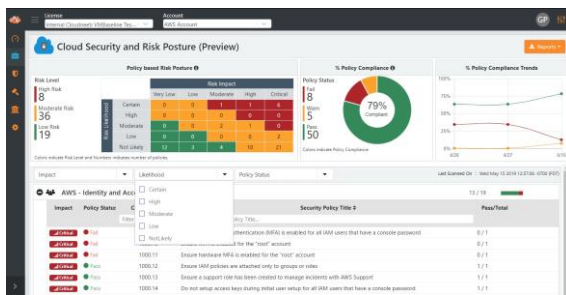

“Through 2024, organizations implementing a cloud security posture management (CSPM) offering and extending this into development will reduce cloud-related security incidents due to misconfiguration by 80%.”

- Gartner

# Product Overview

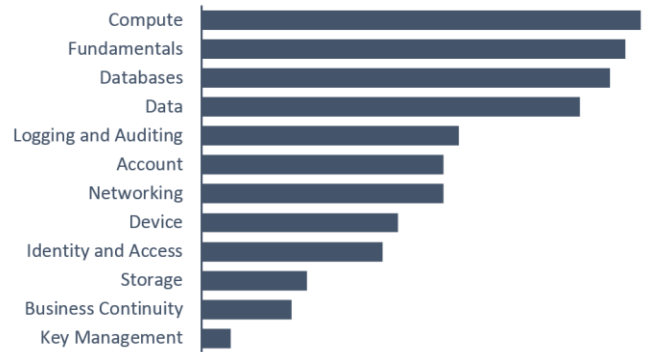

## SECURITY, COMPLIANCE AND RISK MANAGEMENT

Continuous security and compliance assurance for Amazon Web Services, Microsoft Azure and Office 365.

## CLOUD INFRASTRUCTURE AND IAM CONFIGURATIONS

Implemented over 1,400+ security policies, reporting for 13 compliance frameworks for all most used cloud services.

## CYBERSECURITY BENCHMARKS, LAWS AND REGULATIONS

Compliance dashboards and reporting is available for CIS, CSA, NIST, ISO, FFIEC, RBI, PCI, HIPAA, GDPR, SOC 2, UK NCSC, GxP Life sciences.

## CREDENTIALS

Cloudneeti is one of the key contributors for CIS Azure and M365 cybersecurity benchmarks. The company is a PCI DSS participating organization. The team worked closely with Microsoft on creating Azure Blueprints. Cloudneeti is a SOC 2 compliant organization.
